Cassie – Unspoken

Cole Stewart (friend of Chad's cousin) – Recovering from heart valve surgery after undergoing treatment for a type of flesh-eating bacteria. 3 of his valves were replaced.

Cory (Lisa McDaniel's son) – High hemoglobin. Sees doctor in October for liver test.

Rev. Chris Boatman – Focused Ultrasound treatment for tremors on left side is being rescheduled. No date yet.

Dalyn (Wetzel's grandson) – **Praise** he has been cleared of Von Willebrand disease (bleeding disorder) but just tore some ligaments in his knee

Danny & Ruby Reaves – Missionaries to Mexico.

Danny – Had CT scan & biopsy of 5 cm nodule found on endoscopy. Awaiting results

Ruby – Has trigeminal neuralgia. Still having pain after having one nerve block. Had 2" nerve block 8/21.

Jadyn Hudson (15 years old) – Has aggressive bone cancer and is undergoing chemotherapy

Duane & Barbara Wilson (Friends of McIntoshes)

Duane: On hospice after suffering stroke. Sleeping more, eating less, more confused.

Barbara: On treatment for bladder cancer; prognosis not good

Jey Adlan (friend of McIntoshes) – Recovering from surgery on 8/26 to cut off the lower part of his stomach for pancreatic cancer

Jim Hayes – Home from hospital recovering from a small stroke

Josiah McIntosh (McIntosh's 12 year old grandson) EKG showed no murmurs, but there is still concern over PVC's so he will be wearing a heart monitor for 24 hours and get results in 2 weeks.

Judy – Has been having chest pain. Dr. appointments Sep. 4 @ noon for consultation & Sep. 9 @ noon for stress test

Karen Matthews (Stevie's grandmother) – Has leukemia. On chemo pills and shots. 23% chance of living another 5 years.

Linda Hayes – Recovering from knee replacement surgery

Linda McIntosh's great nieces – **Aaliyah, Alliyannah, and Nevaeh** are in a group home in Chicago area since the death of their mother. Please pray these girls can be placed in a good Christian home.

Luke Stevens – Safety for home and animals from Colorado fires

McKayla (Hayes' great granddaughter) Embolization was not able to be done since the main artery feeding the tumor is also a vital artery to other parts of the brain. However, the surgeon said that will be easier to take care of during the surgery, which is tentatively scheduled for this Friday, 9/5.

Mickey (Van & Judy's son) – An infection in his hip was drained and will be treated with antibiotics.

Mike Fitzgerald (Mike Bailey's former supervisor) – On hospice with potentially 2-4 weeks left. Unknown if he is saved.

Pam Basye (Cassie's mother) – Has dementia
